

Today: revised and formatted mini-posters; poster sessions.

Next class: continued.

1. List the members of your group below. Underline your name.
2. List some important criteria for evaluating posters and live interactions with presenters at poster sessions. Highlight the top three for each.
3. Provide a critique of each poster reviewed by your group, focusing on the items from Question 2. Identify posters by titles and authors.

[additional space for answering the earlier question]
