

Today: Related work, references.

Next class:

1. List the members of your group below. Underline your name.

2. What are the different categories of related work, based on how they relate to the work described in a report?

3. Annotate your list of references using the categories of Question 2.

4. What standard do you use for formatting your list of references? Why? What tools do you use to help you conform to the standard?

5. (a) What details should be provided for each cited work? (b) What additional details are nice to include?

6. Annotate your list of references to indicate any items from Question 5.

7. Provide a brief description (~ 20 words) of the main contribution of two publications from Question 3.

8. Provide a brief description (~ 20 words) of how the contribution of each publication from Question 3 *relates to your project*.

9. Critique of the above, by:
