

Today: Revised graphics and related work sections.

Next class: Revised posters and reports. Bring hardcopies of your updated posters (small format OK) and reports to class.

1. List the members of your group below. Underline your name.
2. List the three most significant ways in which your revised graphics address comments from the earlier class.
3. List the categories of graphics as discussed earlier. Categorize the graphics in your report. Indicate plans for additional ones.
4. Repeat Question 4 for the Related Work section.

5. Repeat Question 5 for the Related Work section.

6. (exchange materials) Critique, by _____ ,
of graphics and related work in the report by _____
.

7. Discuss critiques and propose fixes. Implement them soon.
