

Today: Sections of the report: Results, Discussion. Textbook Chs. 14, 15.

Next class: Oral presentations. Textbook Ch. 29. **Thursday: Midterm exam 1.**

1. List the members of your group below. Underline your name.

2. Consider the guidelines on p. 322 of the textbook. For each of the guidelines 1 and 2:
 - (a) Provide an example that illustrates problems caused by not following the guideline.
 - (b) Briefly explain, with details specific to your example, the problems caused by the above text.
 - (c) Revise the earlier text to follow the guideline.
 - (d) Briefly explain how the change addresses the problems noted earlier.

Reminder: For all such questions, use examples of your own (preferably based from your own project report); do not reuse or superficially modify the book's examples.

[additional space for answering the earlier question]

3. Repeat Question 2 for guidelines 1–5 on page 332.

4. Of the guidelines in Chs. 14 and 15, list three that you found most useful and three that you found least useful.
