

Today: Presentation guidelines.

Next class: Presentation slides workshop. Bring your computer with slides for your final presentation. **Thursday: Midterm Exam 2.**

1. List the members of your group below. Underline your name.

2. List five significant points that should be conveyed in the first three minutes of a Capstone presentation.

3. Indicate an effective way to convey each of the points in Question 2 for your presentation. Use templates and abbreviations as needed.

4. Repeat Question 2 for the last two minutes.

5. Repeat Question 3 for the points in Question 4.

6. Exchange worksheets and provide feedback.
